GENERAL LEASE - RIGHT OF WAY USE

APPLICANT:

Calpine Natural Gas Company
2692 Amerada Road
Rio Vista, California 94571

AREA, LAND TYPE, AND LOCATION:

Sovereign lands in Sevenmile Slough, between Twitchell and Brannan Islands,
near the city of Rio Vista, Sacramento County.

AUTHORIZED USE:

Installation of a directionally drilled 8-inch diameter natural gas pipeline
connecting the existing Rio Vista Gas Unit (RVGU) No. 226 gas well on Twitchell
Island with the existing RVGU. No. 209 gas well on Brannan Island.

2. Calpine Natural Gas Company (CNG) is engaged in an ongoing exploration-drilling program in the existing RVGU near Rio Vista, California. The purpose of the drilling program is to fully explore the field's potential for additional gas reserves and to increase current production rates both for CNG's benefit and to benefit the State of California's need for additional natural gas supply for the power generation industry. The proposed pipeline is being installed to facilitate this program by connecting the Rio Vista Gas Unit No. 226 gas well on Twitchell Island with the existing Rio Vista Gas Unit No. 209 gas well on Brannan Island.
3. The applicant has incorporated a number of modifications into the project description to protect the environment, including, but not limited to, a Contingency Plan for Horizontal Directional Drilling Inadvertent Returns, and an Abandonment Contingency Plan in the event of a failed bore. Provisions have been incorporated into the Lease which will provide for California State Lands Commission monitoring of the horizontal drilling process to ensure consistency with the above plans.
4. Pursuant to the Commission's delegation of authority and the State CEQA Guidelines (Title 14, California Code of Regulations, section 15061), the staff has determined that this activity is exempt from the requirements of the CEQA under the general rule that the CEQA applies only to projects which have the potential for causing a significant effect on the environment. The staff believes, based on the information available to it, that there is no possibility that this project may have a significant effect on the environment.

Authority: Title 14, California Code of Regulations, section 15061 (b) (3).
5. This activity involves lands identified as possessing significant environmental values pursuant to Public Resources Code sections 6370, et seq. but such activity will not affect those significant lands. Based upon the staff's consultation with the persons nominating such lands and through the CEQA review process, it is the staff's opinion that the project, as proposed, is consistent with its use classification.

APPROVALS OBTAINED:

Brannan-Andrus Levee Maintenance District; Reclamation District No. 1601; State Reclamation Board; County of Sacramento; California Department of Fish and Game; United States Army Corps of Engineers.
